

AMERICAN GENERAL

American General offers products in the **Foreign Marketplace** and domestic markets.

Currently, AG is offering Term in the countries rated “A”, no term in any other ratings. They will offer UL in lower rated countries. If a client has a net worth of \$2,000,000 or better in “B” countries, he could qualify for Preferred.

AG will entertain UL cases from Mexico, but no border business. Further, if the client enters the US traveling by land across the border, they will not be considered. AG will not entertain business from Monterey.

All transactions must take place in the US and the client must have definite ties to the US, i.e., bank accounts, business relationships, property ownership.

Inspections are ordered at \$1,500,000. For further information, contact PLI offices.
